Let's start this month off by saying "I'm ready for spring and that I've had enough of this cold and snowy weather." The month of January has come and gone and we started off 2010 with a great meeting at Jillys in High Ridge. This was a new location for us and we had an excellent turnout of 47 members. There were several new members in attendance for this meeting with a few of them making the trip up from Bonne Terre and Cape Girardeau. The meeting started off by welcoming the new members in attendance and who all drove their Mustangs to the meeting. Several members discussed projects they have going on and the progress they have made. We discussed the past events from December and the upcoming planned activities. As of the meeting we haven't received the invitation from Ford to attend the Saint Louis Auto Show for 2010. That invitation came about a week later. We had a total of 22 members attend the Auto Show at the convention center on January 28<sup>th</sup>. We got a first hand look at the new 2011 Mustang with the 5.0 powerplant. There doesn't seem to be an exterior changes to the car, just a lot of attention to the drivetrain. Rumor has it the several members will have a new 2011 Mustang sitting in their driveways sometime this year. I gave an update on the MCA

National Show that will be held in Mustang, OK on the weekend of June 4<sup>th</sup> through the 6<sup>th</sup>. We have a block of rooms reserved at the host hotel so if your interested in going let me know so that I can give you the info on how to reserve a room.

We covered the committee reports next along with the old and new business. The activities committee has been very busy making calls and planning things to do throughout 2010. Thanks to Kate, Jeanine and Joe for all the hard work they've done so far in getting us off to a roaring start. Also, we have set the date for our 1<sup>st</sup> official club car show. It will be held on Saturday, Aug. 7<sup>th</sup> at the IBEW union hall located at 5850 Elizabeth Ave. This is right off Hampton Ave & I-44 in southwest St. Louis city. More information will be

coming very soon. This will definitely be a major event and we'll need all of our members to help work the show for it to be very successful. There will be signup sheets for every area of the show for you to volunteer for at the February 11<sup>th</sup> meeting at Jillys. If you can't make the meeting you can contact me by email or phone to volunteer.

In closing for this month's article, please let me or any other board member know if there's any event you'd like is to check into and plan. This is your club and getting involved is the only way to make it successful. We have a great bunch of people in the club and I'm proud of how we've grown and the positive reaction I hear from around the community. Till next month..."Keep the Tradition Alive"

### RECIPE OF THE MONTH

**Ingredients:** 1 1/4 cup flour  
1/4 t. salt  
1/2 cup packed brown sugar  
1 cup pecans, chopped  
2 T. butter, melted

### PECAN PIE BARS

1/2 cup powdered sugar  
1/2 cup butter  
2 eggs, lightly beaten  
1/2 cup light corn syrup  
1 t. vanilla

Preheat oven to 350 degrees. For crust, in a medium bowl, combine flour, powdered sugar and salt. Cut in 1/2 cup butter til it resembles coarse crumbs. Pat into ungreased 11x7 baking pan that has been lined with foil. Bake 20 minutes or until light brown.

Meanwhile for filling, stir together eggs, pecans, brown sugar, corn syrup, 2T. Melted butter and vanilla. Pour over baked crust. Bake an additional 20 minutes or until filling is set. Cool in the pan on a wire rack. Once cooled, lift bars from pan and peel the foil away. Store in fridge.

## MCSTL ANNOUNCES 2011 MISSOURI LICENSE PLATE PROGRAM

MCSTL is in the process of completing the specialty license plate development application. A Missouri specialty plate requires a list of at least 200 potential license plate applicants who would be in favor of having a Mustang specialty license plate available for Missouri residents through the MO Department of Revenue. If approved, the organization, MCSTL, would issue Emblem Use Authorization Statements at a cost of \$25 per year to accompany the DOR \$15 renewal fee for specialty personalized plates. All other renewal fees are determined by the DOR and based on the issue of one or two year plates and will be paid to them directly. We encourage you to provide your name, address,

**NOTE: THIS TEMPLATE IS NOT TO SCALE!!!**

and email address at this time. Once the 200 names are submitted, the DOR will post the proposed Mustang plate on the State of Missouri website as well as the Harry S. Truman Office Building in Jefferson City, make copies available to the media and the public and collect support until the legislative session in November. Written testimony for or against the license plate will be

accepted by the department prior to the next regular legislative session. will encourage the Missouri General Assembly to approve and once approved, 200 completed applications for personalized plates and the \$15 application fee must be submitted to initiate production of the plate.

Templates for designs for the new Mustang license plate will be available at the next meeting or soon on the website at [mustangclubofstl.com](http://mustangclubofstl.com).

Potential applicants will also be able to register online as well.

Carroll Shelby Interview

**A Dream Come True** Submitted By: Linda Nahlik

MCSTL members Linda, Charlie and Greg Nahlik were lucky enough to attend the 2010 Barrett Jackson Auction in Scottsdale, Arizona the weekend of January 22-24, 2010.

Charlie had business meetings in Phoenix during the week of Jan 19th thru the 22nd. His sister Louise lives in Mesa, and when he called to tell her he would be in town she mentioned that her husband Dennis was selling his 67 Mercedes at Barrett-Jackson that Friday and would he like to go. Well Charlie knew better than to go without me so Greg and I flew to Phoenix early Friday morning arriving around 10 am. His sister picked us up at the airport, then made a beeline over to pick Charlie up from his meetings and then onto Barrett-Jackson in hopes of making it in time to see the Mercedes on the auction block. We were too late, missed it by 15 minutes and it was sold before the Speed Channel started broadcasting for the day. I took over 500 pictures, yes at least half are of Mustangs..... We walked all day Friday, around 12 hours, so on Saturday we spent a good part of the day sitting, watching the auction. Ford was giving away mustang t shirts that have the running pony on the front with the Warriors In Pink logo on the back. Yes, I did check out the 2011 California Special that was on display, totally awesome. If it runs as good as it looks, both on the inside and out, this has got to be one of the best cars ever produced period. Phoenix had terrible storms blow through the area on Thursday, including 70+ mph winds causing over \$1 million damage at the Russo-Steele auction when two 800' long tents were ripped out of the ground and then dropped onto cars traveling on Highway 101. Fortunately there were no serious injuries. The only disappointment was the vendor/merchandise areas. They had all kinds of automotive memorabilia, such as huge neon signs, gas pumps, garage flooring. Mostly there were no automotive vendors-artists of all kinds, framed pictures, bronze horse statues, oil paintings, elk hunting in Montana but the most bizarre was a vendor selling mausoleums.

## MEMBERSHIP APPLICATION

The Mustang Club of St. Louis was founded on Jan, 1<sup>st</sup>,2008 by a group of dedicated Mustang owners. On Nov.14<sup>th</sup>, 2009 we became an MCA Regional Chartered Club. The club holds monthly meetings and additional activities throughout the year. The \$20.00 annual dues include a monthly newsletter, "Unbridled", free classified advertising in the newsletter, an invitation to all club activities, and the friendship of a great group of people with a common interest in all Ford Mustangs. It's not necessary to own a Mustang to join our club. You only need to have an appreciation of the car. Membership renewals are due in January. If you would like to join our club, fill in the information sheet below and mail to the address shown. For further information you can contact our membership director Tom Nelson on (314) 894-6749 or club president Mike Herbert on 636-282-8388. You'll also find us on the internet at [www.mustangclubofstl.com](http://www.mustangclubofstl.com).
