Spring is fast approaching and daylight savings time will be here in a couple of weeks. That means cruising time is in the foreseeable future. It's been a long cold winter with more snow than I care to remember. I hope everyone's ready for some fun because our activity committee has been very busy getting events organized and planned for the entire year.

We had another great turnout for our February meeting at Jillys. We had 45 members in attendance and a few guests. Four members from the Shiloh Valley Mustang Association attended our meeting and from what I've heard they were very impressed with the club and all of the camaraderie between the members. I'm looking forward to planning some co-events with their club throughout 2010.

We've had a couple of different photo shoots of our members' cars during the month of February. The last one was at Gateway International Raceway on Sunday, February 28th. We had a total of 26 cars make the trip over for the photo shoot. Once everyone arrived at the main entrance we were led down through the oval track and over to the dragstrip. Our members lined up side my side and were allowed to make 2 controlled passes down the ¼ mile track. Everyone was photographed making their

passes down the dragstrip and then headed over to the oval track. Again all of the cars were lined up in rows of four and photographed on the oval before being allowed to make 2 laps around the track. All in all this was a very successful day and everyone seemed to have a great time. We hope to have several more photo shoot events in the near future and throughout the year.

We announced our 1st Annual Car Show last month at the IBEW Hall on August 7th. Since this announcement there has been a development with the location and we're working hard to try and get it resolved as quickly as possible. So as of now the show has been placed on hold. I'll keep everyone informed of the progress as new information becomes available.

Several more club events have been planned and will be covered at the March meeting

on the 11th. We'll be at a new location in Fenton called dDooleys 26 Grill, 568 Old Smizer Mill Road, Fenton MO. The meeting will start at 7pm so plan on coming and find out what's going with the club.

If you haven't already renewed your membership dues now is the time to do so. At the end of March the membership chair, Tom Nelson will review the current roster and notify any member that has not paid their dues. So, please take the time to renew, we wouldn't want you to miss any of the action for 2010....

We're off to a great start this year so let's keep the momentum going, plan on attending an event or two and get involved. That's the only way will continue to grow the club and keep having fun.

2010 CENSUS TO BEGIN –CAUTIONS

Submitted By: Rich Johnston

**WARNING: 2010 CENSUS—Cautions from the Better Business Bureau
Be Cautious About Giving Info to Census Workers by Susan Johnson**

With the U.S. Census process beginning, the BBB advises people to be cooperative, but cautious, so as not to become a victim of fraud or identity theft. The first phase of the 2010 US Census is under way as workers have begun verifying the addresses of households across the country...
Eventually, more than 140,000 U.S. Census workers will count every person in the United States and will gather information about every person living at each address including name, age, gender, race, and other relevant data.

The big question is—how do you tell the difference between a U.S. Census worker and a con artist?
BBB offers the following advice:

** If a U.S. Census worker knocks on your door, they will have a badge, a handheld device, a Census Bureau canvas bag, and a confidentiality notice.
Ask to see their identification and their badge before answering their questions.
However, you should never invite anyone you don't know into your home.

** Census workers are currently only knocking on doors to verify address information.
Do not give your Social Security number, credit card or banking information to anyone, even if they claim they need it for the U.S. Census.

**REMEMBER, NO MATTER WHAT THEY ASK, YOU REALLY ONLY NEED TO TELL THEM
HOW MANY PEOPLE LIVE AT YOUR ADDRESS**

While the Census Bureau might ask for basic financial information, such as a salary range, **YOU DON'T HAVE TO ANSWER ANYTHING AT ALL ABOUT YOUR FINANCIAL SITUATION.**
The Census Bureau will not ask for Social Security, bank account, or credit card numbers, nor will employees solicit donations. Any one asking for that information is NOT with Census Bureau.

**AND REMEMBER, THE CENSUS BUREAU HAS DECIDED NOT WORK WITH ACORN
ON GATHERING THIS INFORMATION.**

No Acorn worker should approach you saying he/she is with the Census Bureau.

Eventually, Census workers may contact you by telephone, mail, or in person at home.
However, the Census Bureau will not contact you by e-mail, so be on the lookout for email scams impersonating the Census.

Never click on a link or open any attachments in an email that are supposedly from the U.S. Census Bureau.
