## PRESIDENT’S POINTS

Here it is the month of October and we’re quickly approaching our 1<sup>st</sup> year anniversary. The weather is already starting to change and it won’t be long before leaves start changing colors too. I’m looking forward to our cruise to the Villa Antonio Winery on Oct. 12<sup>th</sup>. I’ve been to their website and this will definitely be a lot of fun for our club. I’d like for everybody to try and attend if at all possible.

During the month of September we attended the Wheels in Motion charity display at Westport on the 7<sup>th</sup> and had a great turnout. We made a club donation of \$75.00 to the cause, “Kids with Cancer”. There were several other car clubs at the event and the attendance was definitely up this year.

Several members also attended the Gateway Falcon Club Car Show on September 21<sup>st</sup>. This was the rain date from the

previous week, Sept. 14<sup>th</sup>. Can anybody remember what caused the rainout? Could it possibly have been a “hurricane” or the remnants of one? I’ve never seen it rain so hard in my life. We had 13 members attend which include the four new ones we picked up at the show. Everyone ended up getting a trophy for their efforts.

Changing gears here, the election campaigns are in full swing and Nov. 4<sup>th</sup> will be here before you know it. Whether you’re a Democrat, Republican, Libertarian or an Independent please take the time to vote and take advantage of your right to vote. Only you can make a difference!!!! The last several weeks have also been in turmoil with the current crisis with the economy. I’m not sure how much this will effect any of the 2009 car show and

cruising season but I’m sure there will be some changes.

We’re still planning the trip to Birmingham, Alabama for the 45<sup>th</sup> Anniversary celebration of the Mustang. If you haven’t confirmed your hotel room yet, that needs to be done very soon. I still have some rooms left so let me know if you plan on going. You don’t have to enter a car in the show to attend. You can also just be a spectator if you so choose.

There will be several other topics of discussion at the General membership meeting on October 9<sup>th</sup> at Sybergs located at I-270 and Dorsett Road. The meeting starts at 7:00pm as usual so come out early and enjoy the evening and great food. Hope to see you all there.....

## ROAD TRIP RESTAURANTS

Submitted By: Bob Morgan

What would a road trip be if we didn't check out a local restaurant (or a chain not in St Louis)? In this case we invaded Cheddar's Casual Café at 3151 Horizon Drive in Springfield IL. We had 11 Mustangs (14 people) make the trip and we were HUNGRY by the end of the day. Some of us had eaten here at last year's MCA national show-ask Joyce Morgan or Rich Johnston about the chocolate cake dessert!

Upon arriving at the restaurant we only waited a short time before we were seated. I won't say we were loud and rowdy but a group of elderly women left soon after we arrived.

Our waiter was Ron and he did an excellent job. I found out later that it was only his second day waiting tables.

Meals were as follows:  
 Linda N Philly cheese steak sandwich  
 Joyce M Grilled chicken salad  
 Bob M Chicken fried steak dinner  
 Mike H Bacon cheeseburger  
 Jim G Sirloin steak  
 Sandy S Sirloin steak  
 Emily W Chicken tenders  
 Jennifer W Chicken with mushrooms

Rich J Bacon cheese burger  
 Patrick S Catfish  
 Jane T Chicken Caesar pasta  
 Jim & Sharon R Ribs & Steak platter  
 Dan A Chicken Fettuccini

The menu had a great variety. Prices were reasonable-dinner for Joyce & I was \$25 and we brought home enough salad for both of us to eat as side salads.

The only drawback I found was a VERY rough street we took after I missed the street we were supposed to turn on. I apologize to those with lowered cars.

All in all it was a fun day and a great meal.
