PRESIDENT’S POINTS

Another month has come and gone in our first year and I'm really pleased and excited how things have gone. We have a great group of people with a lot of enthusiasm and drive. With the momentum we have going now our second year will be off to a flying start. We had another busy month in August with meetings and several different club events planned. Drive-in night at the Skyview in Belleville had a very limited turnout due to some last minute changes that came up. The members that were able to make it reported that they had a great time. A couple of them were even dressed in their Ford sleep pants and club T-shirts. A certain member even had her Pokemon house shoes on....I wonder who that was. The biggest event we had planned was the trip to Springfield, Illinois for the Central Illinois Mustangs 30th Anniversary Car Show. We caravanned up to the event with 11 cars and brought home 9 plaques. A few of our members helped judge the classes. The show was very

well organized and put together. Chuck Brenner is a very hard working member of their club and the current President. He definitely knows how to put a show on. It was a very enjoyable day with a nice breeze and temperatures in the low to mid 80's. Kind of strange weather for the month of August but we sure enjoyed it. The month of September will also be another busy month with several more activities planned. We are looking into the possibility of having another charitable car display before the end of the year. Details will follow as soon as we can things

finalized. Watch the website for further updates...

This month's meeting will be held at Dylan's Sports Bar & Grill in Arnold. Directions are on the website under the "meetings" tab on the left. Please try to attend if at all possible. There are a few members that we haven't seen in the last few months. The club can only be successful by the participation of the membership. Let's keep our momentum going forward!!!

Keep the Tradition Alive.....

SKYVIEW DRIVE-IN NIGHT- BELLEVILLE, IL

AUGUST 16, 2008

MUSTANG CLUB OF ST. LOUIS 1st ANNUAL DRIVE-IN NIGHT

SUBMITTED BY: **RICH JOHNSTON**

Bob and Joyce Morgan as well as Rich Johnston and Jennifer Wolfe had a great time at the 1st annual drive-in night. Jennifer and Rich went in their "jammies". Needless to say, they got a lot of looks and conversations started from their attire. First, they went to the store to buy some goodies for the show. Then attended Bandana's BBQ where Jennifer had people coming over to ask her about her attire, especially her Pikachu slippers. Then they were off to the drive-in where they played on the swing as you can see prior to the movies. The movies were definitely "B" class movies, but a lot of laughs and good times were had. Hopefully, next time, more members will be able to join in the fun.

Thank you to all of the MCSTL Members who participated!!

CENTRAL ILLINOIS MUSTANGERS CAR SHOW

August 24, 2008

SPRINGFIELD, ILLINOIS

The weather was questionable as we started out on a hazy morning toward Springfield. The farther the 11 cars traveled, the brighter the sky became and it turned out to be a perfect day. The show was extremely organized and check in only took a few minutes. The Mustang Club of St. Louis members were all able to park together and everyone got busy working on perfecting the shine on their cars before the judging began. A request out from the Central Illinois Mustang Club for judges brought our members familiar with the modified MCA rules to the rescue and they were eager to help out the CIMA with whatever they needed. The day was relaxing and exciting as the club brought home 9 beautiful wood award plaques for the trip and many of us now a little more ready for the judging that will take place when we attend the MCA 45th Mustang Anniversary Car Show in the Spring 2009. The day was ended with dinner at Cheddar's where Patrick Sanfilippo unknowingly ordered "jaws" for dinner.
